Our Programmes

Early Years

Our Early Years setting centres on joyful, meaningful learning through purposeful play, hands-on activities, and imaginative exploration. Children build strong foundations in language, numeracy, creativity, and early problem solving while growing in confidence and independence in a nurturing environment. Guided by the EYFS framework, we ensure every child feels secure, curious, and ready for Primary with enthusiasm and a genuine love of learning.

Primary

The Primary years are an exciting time of growth, and at Regent's we help every child develop confidence, curiosity, and essential skills. Following the British Curriculum, students build strong foundations in core subjects and benefit from specialist teaching and a wide range of co-curricular opportunities that inspire new interests and challenges.

Within our inclusive, multicultural community, children grow academically, socially, and emotionally. Our teachers know each child as an individual, nurturing their strengths and self-belief so they can thrive in the classroom and beyond.

Secondary

Regent's Secondary blends academic ambition with personalised support in a nurturing environment where every student is known, encouraged and supported to achieve their best. We believe that students thrive when high expectations are matched with strong relationships, clear routines, and a genuine sense of belonging.

They follow a structured pathway from early Secondary into internationally-recognised IGCSE and IB programmes, taught by experienced subject specialists who build confidence, curiosity, and critical thinking. Strong pastoral care and diverse enrichment opportunities help students become resilient, independent, and confident leaders within our international community.

Sixth Form

Sixth Form at Regent's combines academic ambition with personalised support, built around the internationally-respected IB Diploma Programme. Students develop independence, critical thinking, and the curiosity needed to succeed at top universities worldwide.

With expert IB teachers, personalised university guidance, and a close-knit community, every student is supported in achieving their goals. Through enrichment, service, and co-curricular activities, they build leadership, collaboration, and global awareness. By graduation, students leave with outstanding qualifications and the confidence, resilience, and global outlook to thrive at university and beyond.

Boarding

Boarding at Regent's International School Bangkok offers students a warm and supportive home where they can grow academically, socially, and personally. Our boarding community is built on trust, belonging, and independence, giving students a safe environment that feels like family. With dedicated house parents, structured routines, and enriching evening and weekend activities, boarders enjoy a balanced lifestyle that encourages responsibility, confidence, and lifelong friendships.

Placement Equivalent Table

		Age	Regent's Class Placement (UK)
